Method of selection and Empanelment

- In case of Prawn seed, empanelment will be done as per above order of source of seed shown in selection criteria Sl no-9 and procurement will also be done as per the order of preference/priority.
- The minimum ceiling price against each item has been mentioned in the tender document.

- The bidders shall quote their price not below the minimum ceiling price as mentioned in the tender document.
- The OPDC Tender Evaluation Committee shall evaluate the minimum eligibility fixed in the EOI.
- The bidder quoting the lowest evaluated price (L1) and found to be technically and financially responsive to the tender conditions shall be considered for empanelment at the quoted rate.
- In case empanelment of more than one bidder is envisaged, the lowest evaluated responsive price or the maximum price fixed by the Govt which ever is less shall be adopted as the empanelled rate and all empanelled bidders shall be required to abide by the same.
- In instances where the quoted rates exceed the prevailing government benchmark or estimated rates, price negotiations shall be initiated with the L1 bidder to bring the costs within a fair and reasonable range.
- The empanelled rate shall remain valid for one year unless otherwise extension is made. No escalation in rates shall be permitted during the validity period.
- The empanelment shall be subject to compliance with all terms and conditions of the tender, including performance obligations, service quality standards, and statutory requirements.
- In accordance with Phase-I and Phase-II empanelment protocols, equal opportunity shall be extended to all suppliers irrespective of their geographical location
- In case of any dislocation found from the bidder level or location site, the authority has every right to decide to place suitable work order to the suppliers to safeguard the greater interest of the OPDC.
- The site Physical Verification and assessment of stock shall be conducted by the Zonal Dy Directors/DFOs which is also a part of the technical eligibility .
- The final empanelled list shall be published/ declared after obtaining the verification and assessment report from zonal DDF/DFOs.

SECTION - III

SCOPE OF WORK & SPECIFICATIONS

A. Scope of Fish Seed Supply:

A.1. Supply of Fish Seed for stocking in reservoirs , river ranching and SETU programme.

A.2. Detailed Scope of work:

a. **OPDC desires to procure fish fingerlings (Catla, Rohu and Mrigal) of 80 mm - 100 mm size** in the ratio of 40:30:30 for stocking under reservoirs/river ranching/SETU Program . The successful bidder shall supply fish fingerlings (Catla, Rohu and Mrigal) of 80 mm -100 mm size with quality in polythene bags with adequate oxygen and delivered at points fixed by the department. In case of bulk requirement, the supplier on the request of the OPDC can supply directly in oxygenated drums to the point of stocking. The bags which are intact shall only be accepted and others will be rejected. Fish seed shall be supplied to the stocking site as decided by the department in live and healthy condition.

b. **Fresh water hatchery bred prawn juveniles (both M.rosenbergii & M. malcomsonii) : 3 gm to 5 gm**

c. **Minor Carp (Puntius, Labeo species etc): 80-100mm**

2. Fish Fingerlings/Prawn juveniles should be released in the presence of Stocking Committee for transparency.
3. Technical verification team shall assess the stock in tanks of the eligible bidder before empanelment.
4. The assessment of the species, size, ratio, health condition and number of fish seed received will be decided by the Stocking Committee. In case of all reservoirs, river ranching and SETU, the quantity of the fish seed will be assessed by bulk weighing method at site prior to stocking. It is the responsibility of successful bidder to bring in certified digital weighing balance to all such sites.
5. Timing of fish seed stocking: In all cases, the seed stocking shall be completed between 8AM to 5.00 PM.
6. The supplier shall not be allowed more than 10 trucks each day to facilitate the seed stocking committee to assess the exact nos. of fingerlings stocked.
7. No payment shall be made for below size seed. If the size of the seed is found to be below the specified size, it will be rejected and no claim for payment towards cost of seed and transport etc shall be entertained
8. 80% of committed supply must be ensured by the supplier. The consideration of the farm for further order may not be given, if the supply falls below 20%.
9. Time period for supply of Fish Seed: District Fisheries Officer (DFO) will issue indent as per requirement and Bidder shall supply fish seed quantity indented by DFO within 20 days of receipt of indent. The DFO shall place indent to the successful bidder through e-mail or by any other method. Date of e-mail or by any other method, as the case may be, shall be considered as date of receipt of indent by the bidder. If bidder fails to supply quantity mentioned in the indent within 30 days of receipt of indent, contract will be liable for termination for default of the bidder and Tender Committee may resort to procurement of balance Fish Seed from any other eligible bidder in the State or from open market.
10. Video documentation of the fingerling counting and release to the reservoir will be arranged by the DFO/ stocking committee and CD with proper labelling of the same should be submitted to MD, OPDC and Director of Fisheries within two weeks from the date of stocking. The firm shall facilitate to the OPDC for this work.

A.3 Quality

The bidder shall supply fingerlings Seed at the suitable sites as decided by the OPDC, as per the ratio of species mentioned, in live and healthy condition as given detailed below:

S. No.	Specification	Result
1	Activity	Actively swimming
2	Feeding	Readily accept and eat feed
3	Scales	Shining and healthy
4	Body	Clean and without Ecto-parasites
5	Muscles	Thick and without injuries
6	Fin Condition for Advance Fingerlings	Fins should be complete without deformities
7	Health Status	The Fish fingerlings should be free from all diseases and Ecto-parasites
8	Presence of Banned Antibiotics and Pharmacologically active substance	Should be free from Banned Antibiotics and Pharmacologically active substance
9	Fish Seed size	As mentioned above
